## July 30-August 3, 2024

May 10, 2024

Dear Parents:

Are your children already looking forward to summer? Are you ready to start making plans? We sure are! We're looking forward to another great week of Wallace Junior Camp with kids who will be entering grades 4, 5, or 6 in the fall. From July 30-August 3, we'll be enjoying the BEST WEEK OF SUMMER at beautiful Camp Pinnacle in Wardensville, WV.

For over 40 years, Wallace has been offering this unique overnight camp experience to older elementary age children. We will be learning from God's word and experiencing His beautiful world while making friends, eating great food, doing fun crafts, playing exciting games, and so much more! This year, we are very excited to welcome our beloved Elder Terry Carman as Camp Storyteller.

We commit ourselves to providing a wonderful camp experience for your child. We hope it will be the highlight of their summer! Register him/her early and be assured of a place. There is no deadline but to help us plan, please register early. *Please note that there is no online registration; you must mail this form to Wallace. Please make checks payable to Wallace Presbyterian Church, with Junior Camp in the memo line.* The registration fee this year is \$170 if you register by July 14th. After that date, the fee will be \$190. Scholarship opportunities are available for those who need it; please contact us if your family needs financial assistance. Act now by sending in the registration form and registration fee! You may call the church office on weekdays if you have any questions—301-935-5900, or email me, Annie Welty, at [annie.welty@gmail.com](mailto:annie.welty@gmail.com) or Katie Waterhouse, camp registrar, at [katie.l.waterhouse@gmail.com](mailto:katie.l.waterhouse@gmail.com).

In Christ's Service,

Annie Welty, Administrator for the Junior Camp Ministry Team

NOTE: A separate medical form will be included with the Welcome and What To Bring materials, which will be sent out closer to camp. If your doctor prefers to use a medical form that provides similar instructions regarding administration of prescription medications we will accept it. It must be turned in to the Camp Director at the church the day of camp or sent to the office earlier. All medications (prescription and over-the-counter) must be turned in to the Camp Director in the church parking lot the day of camp; each must be clearly labeled, and directions must appear on the container.

Our plans are for all campers to remain at camp the whole time, from beginning to end. "Part-Timers" are strongly discouraged because it disrupts the camp schedule and takes the space away from another full-time camper who really wants to attend.

Due to the need to allow our very busy camp program to run smoothly, and to be fair to all campers, the general expectation for camp is that kids will not be allowed to make phone calls home except for emergencies. We will have a protected website available only to parents to view daily uploads of photos from camp. If there are concerns or special circumstances, please share them with us.

Note: Campers often request a roommate. Our procedure is to line campers up, standing next to a friend, to ensure they will bunk near their friend.
